

MNI EM POLICY

MNI EM Policy offers **exclusive** intelligence on the world's major emerging markets, focused on the central banks in Brazil, Mexico, Poland, Turkey, Hungary, Czech Republic and China. Our exclusive reporting - gleaned from direct contact with policymakers and senior officials - is more precise, accurate and policy directional than anything else on the market.

WHY YOU NEED THIS:

Central Bank Policy

- Critical intelligence on major EM central bank policy from MNI journalists' network of well-placed contacts
- **Exclusive** on-the-record interviews with top central bankers and officials
- Central bank analysis just before and straight after decision-making meetings
- To stay on top of fiscal and other major macro events that impact EM central banks
- 19 central bank previews and reviews

Major macro events, such as:

- The struggle by Latin American central banks to preserve economic stability amid fiscal weakness
- Central bank analysis just before and straight after decision-making meetings
- Will Turkey's President Erdogan retain his new-found tolerance of interest rate hikes?
- Where next for the National Bank of Poland as a new broom sweeps through Polish politics?
- Chinese policymaker steps to rebalance the world's second largest economy amid the challenge of slowing growth
